LIFE GROUP SERMON QUESTIONS

Getting to Know You:

1. What is something you do almost daily that would be *very* difficult to give up? (A certain beverage, certain kind of food, etc.)
2. What is your preference: Large groups of people, small groups, 1-on-1, alone time? Why?

Into the Bible:

1. Is it easy or difficult for you to be vulnerable with people? Why?
2. Read Galatians 6:1-2 carefully/thoughtfully:
 - a. Do you have patience with people who are caught up in a trespass (like addiction)?
 - b. Have you ever helped restore someone as this verse indicates?
 - c. Are you more grace/forgiveness or truth/rules?
 - d. In what areas do you need to be careful? Where are you tempted?
3. Do you have a trusted Christian friend you can be completely vulnerable with, who can encourage you in the Lord?
4. Do you think your social circle plays a part in temptations? Why or why not?
 - a. Consider I Corinthians 15:33.
5. Meditate on Psalm 27:4-7:
 - a. What speaks to you in this passage?
 - b. How can you apply this to your week?

Application:

1. Will you commit to making a list of those things by which you are tempted and talk with a trusted brother or sister for help/accountability this week?
2. Ask the Holy Spirit to help you extend grace to people in need of God's love and forgiveness this week? *Come to group next week ready to share the story of how God used you this week to help someone else.*
