- **Time commitment**
 - This can be a very time consuming ministry! Sundays that you're schedule can take about 4 hours, arrive at 8:00 am. Your practice is also 2 hours on the Thursday before the Sunday you are on. You are also responsible to spend time at home learning and practicing your music!
 - Please make it a priority to also attend church even when you are not “up on the stage”. It's important for you to be a worshipper in the congregation when you are not on the stage as well.
 - You need to be prompt to practices and service. If practice starts at 6:30, you need to be ready to go at 6:30, not just setting up your instrument!
- **Scheduling**
 - This ministry will be scheduled around your schedule as much as possible.
